GREETINGS...

GO GREYHOUNDS!

It is with great pride and enthusiasm that the staff, students, parents and supporters of the Healdsburg Greyhounds welcome the Football season of 1989.

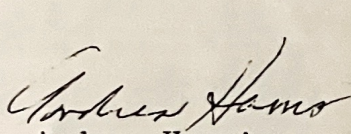

With the full implementation of Fall practice, there is the expectation that the discipline, diligence, thinking skills, team effort and "giving one's all" on and off of the field transfers to the classroom, and produces a successful sport's season and academic year for this year's football teams.

Enough cannot be said about the dedication, caring and mutual respect HHS coaches have for their young people. Head Coach, Tom Kirkpatrick, and his staff exert more than 100% not only from their teams, but also from themselves -- and their wonderful and supportive families.

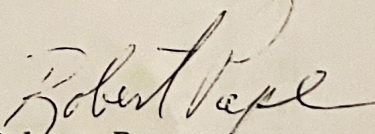

Additionally, the entire community is to be congratulated and commended for its outstanding support to Healdsburg High School's programs, sports and activities. Also, a special and warm thank you to the advertisers in this program.

We invite everyone to "kickoff" the 1989 sports' season with the HHS Football competitions. Other Fall sports include: Cross Country, Soccer, Ladies' Tennis, and Ladies' Volleyball.
