\$5

Greyhound Alum, Dave Baumunk, with great help from Roux Body & Paint and Bob's Signs, is offering for raffle, the lovingly restored, "Ultimate Greyhound Fan" retro-motorbike in the picture above.

Tickets are only a \$5 donation and are available at every football game near the Booster food booth and everyday at Jerry's Valero Station. The drawing will be held at half time of the November 9th football game against Analy High. Dave will have the bike at every home game and at the Valero Station the following weekend, so be sure to check it out and pick up a handful of tickets.

All proceeds, yes all proceeds are going to the Healdsburg Greyhound Booster Club and then directly to our student athletes. This is the opportunity of a lifetime.

How we deliver the best leasing, year after vintage year.

Just as the work of a vineyard or winery comes in short, intense bursts of activity, so the expenses seem to pile up that way, too. But now you can even out your cash flow and keep your credit lines open with new flexible leasing options from the friendly and knowledgeable people of American AgCredit. We arrange vineyard and winery leasing programs both big and small, but we always handle them the way we have since 1917: with the aim of putting together the lease package that best meets your individual needs.

We care about the success of our customers, which is why we offer a combination of competitive rates and sound structure, along with the kind of long-term relationship that can help make sure you never find yourself over a barrel with equipment leasing.

Welcome

HHS Football Alumni Game Friday Night July 13, 2007

Former Athletes of Healdsburg Football are proud to support the Healdsburg Football Alumni Association (HFAA).

Our vision as former athletes and members of the HFAA is to create a network of contacts who would be willing to help support Healdsburg Football when our help might be needed. Current times don't always allow us to give as much as we might want, but it is the purpose of our "team" to give when we can. Sometimes it might be financially, and other times it might be by giving some time back to the program that helped mold us all into the people we are today. It is our goal to create one of the most self supported football programs in Northern CA. We can do that by

giving back just a fraction of what Healdsburg Football gave to us. Like any team, if we all work together we can achieve success. The HFAA team wants to keep Healdsburg football as the premier program that it has always been.

Play to Win and Come Strong, or Don't Come at All!! Go Healdsburg Football!!!

All-Coast Forest Products

From the day we opened our doors at All-Coast Forest products in 1975, we required our lumber to meet stringent quality standards. Our customers continue to rely on those standards today. We purchase only grade-certified lumber from high quality manufacturers. No exceptions, 100 percent guarantees. We also grade-certify many of our remanufactured products to assure you the on-grade, top quality that will satisfy your customers' needs.

With four locations serving 10 western states, a deeply experienced workforce, and a finely tuned, just-in-time delivery system, we're committed to being the most responsive lumber distributor you've ever known. Call us for the quality - in whatever quantity - you need. We'll always be equal to the task.
