Thank You To Our Coaches!
Football is hard. It's tough. It demands discipline. It teaches obedience. It builds character. ...This game asks a young man to push himself further than he ever thought he could go. It literally challenges his physical courage. It shows him what it means to sacrifice. It teaches him the importance of doing his job well. We learn to put others first, to be part of something bigger than ourselves. And we learn to lift our teammates – and ourselves – up together..... Our culture teaches us to judge an activity by how it's going to make us feel right now. But football doesn't work that way. The game challenges and pushes us. It's often uncomfortable. It requires us to be at our best.....Isn't that what we want in our society? Football is a great sport. Football teams can be, and very often are, the catalyst for good in our schools and our communities. Millions of young men have learned lessons in football that they could only learn through playing this game. Football has saved lives. That is why football matters. John Harbaugh

BIG JOHN'S MARKET

1345 Healdsburg Ave. (at Dry Creek Rd.) • 707-433-7151 • www.bigjohnsmarket.com

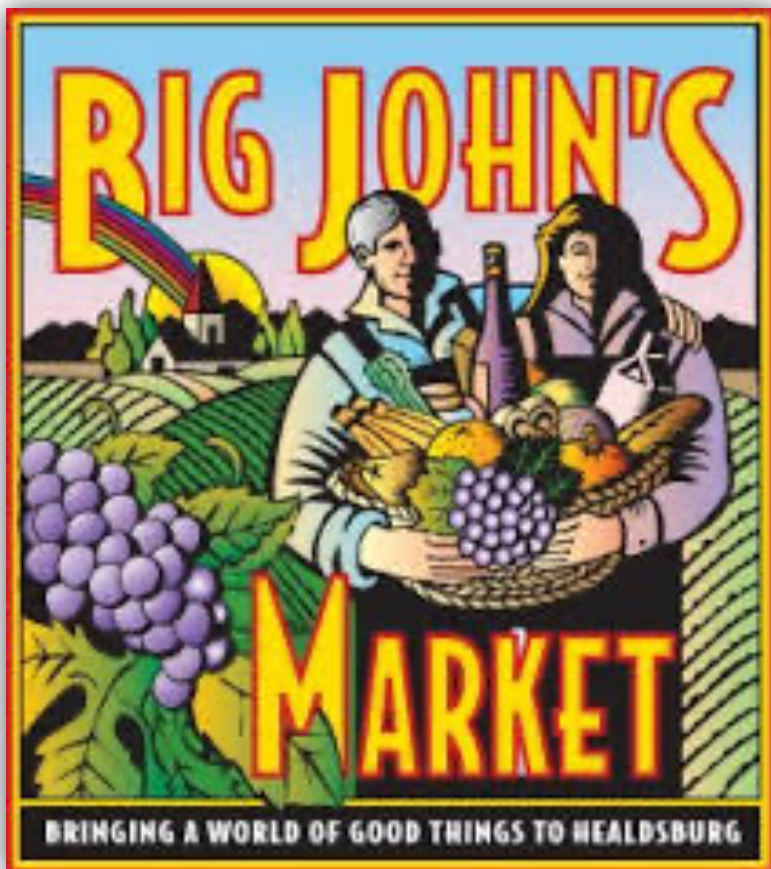

Big John's Market - A Brief History

In 1994 Kim & John Lloyd came up from Southern California looking for the small town quality of life and a potential business opportunity and settled in Healdsburg, Sonoma County. They took over the former Deluxe Foods located at the intersection of Healdsburg Avenue and Dry Creek Road.

When asked about the name, John Lloyd quickly points out that "BIG JOHN" isn't a personal nickname. The "BIG" is an acronym for Better Independent Grocers.

Big John's Market serves the Healdsburg, Geyserville, Alexander Valley, and Dry Creek Valley areas as well as Cloverdale to the North and Windsor to the South.

In 2006, the building and fixtures were completely renovated bringing a fresh new look and adding a food service court and outdoor seating.

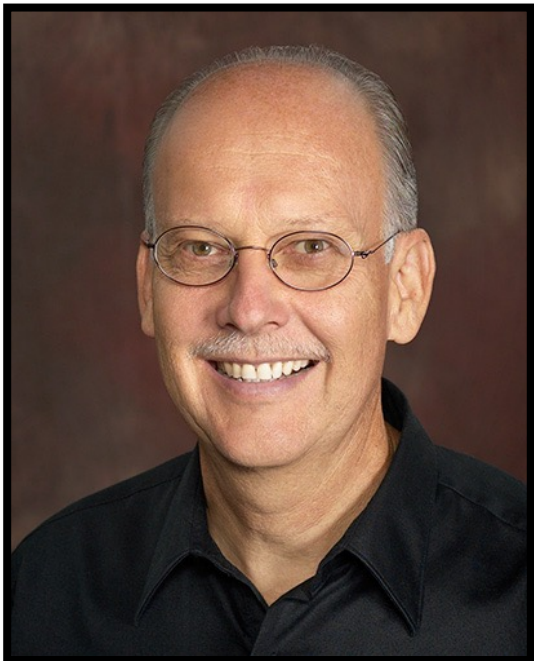

Creating Beautiful Smiles For All Ages

We are conveniently located on the corner of Healdsburg Avenue and March Street (across from Dry Creek) on the north end of Healdsburg.
